The present number exhibits decided and various

If this were the point, it couldn't be sustained for a memont. But it isn't the point. Every nation is the keeper of its own home, and Spain, not less than the most powerful of the world's empires, has a right to regard anything as an indignity which the fools to be such. Who countituted us the judge of what Spain has a right to regard anything as an indignity. Who made us the custodian and arbiter of the heave of other nations? The idea is brimming with nemenan. The assumption is ridiculous from its very ensermity.

It is true, we have a right to disregard the sensitiveness of Spain or of any other nation, if we feel that it is isordinate or insincers, and stands in the stree, we have a right to close between set that it is isordinate or insincers, and stands in the stree, we have a right to disregard the sensitiveness of Spain or of any other nation, if we feel that it is isordinate or insincers, and stands in the stree, we have a right to disregard the sensitiveness of Spain or of any other nation, if we feel that it is isordinate or insincers, and stands in the stree, we have a right to disregard the sensitiveness of Spain or of any other nation, if we feel that it is isordinate or insincers, and stands in the street, a case we should have to choose between set sing of name of a first-rate power might not be instanced and the most that can be not designed as the interval of the suppose of the soul of a blue within the tin'ed on the manufacture of the explicit lever's lines that grand made to reveal to the cantra. The case we should have to choose between set.

It is true, we have a right to disregard the sensitive set of the suppose of our own. In a juncture of the suppose of our own. In a grand made in the suppose of our own. In a grand made in the suppose of our own. In a grand made in the suppose of the suppose o

wish to all faithful lovers, who are not too wise to despise old legends, but are contant to rank them-burn showing. We can't buy, unless she

he offer, thus willfully offending a nation with work at low wages, and the white working men of thick we are at peace, not only for no purpose under the country, who desires to improve their social and

the slavery basis, for its great champion, Henry tuem, too, when we get to be of your age. Clay, was a slaveholder, and its most violent oppo mad accatchoon forever.

Let me have none of it. Let the country wash its ments have been found in the North almost without distinction of party. The New York Evening Post, and and the Villiam and Mark College, it williams or uggestion.

Dark Farm and Darker Chieve for the Journal of Commerce, a hunder Darce party, the landing Republican organ of the country, the Journal of Commerce, a hunder Darce party, and the News, the exponent of Young America and history. I rom the Petersburg Press we gather it following additional particulars: remon, are all opposed to Protection—one from ciple, perhaps, the other from interast, and the as a Republican candidate for the Speakership, is la radical free-trader, as was his predecessor in Co. greus, David Wilmot. There at Pteston King, of New York, too, of the school of Silas Wright, who is bitterly anti-tariff, and we can hardly tell what are heard are heard will be the position of Sanators Ilaie, Humila, and related discord will be the position of Sanators Ilaie, Humila, and other 'Free Democrata.' We sincerely regret the

be an lition, and the North American calls Free Trade s then came the compromise, and at the close of its merry as a marriage bell. But all that is passed.
The clavery issue is obsolute. The necessity has
arisen for men and parties to define their positions
is reference to other questions of paraments improve the contrary, as the local
interests of the North or South varied, so did their bous and Webster on both sides of this great ques wed by an amplication that shivers even the sepa-te factions. The Cuben affair is a source of in-more definite meaning of Protection, which has no

towed by an explosion that shivers even the separate factions. The Calean affair is a source of incurable discord. The tariff question has created a permanent division. Even the anti-fariff men could find no other subject upon which they could agree. They tried the subject of retranchment, and found it utterly impossible to make even a beginning. One party analled the estimates of the hands of departments; another mountly defended them and demonated the attempt of a few Representatives to question their correctness in strong terms. The debate wared so warm that, to avoid collisions, an adjournment of the enactes she die was resorted to.

They tried the subject of retranchment, and found it utterly impossible to make even a beginning. One party analled the estimates of the hands of departments; another mountly defended them and demonated the attempt of a few Representatives to question their correctness in strong terms. The debate wared so warm that, to avoid collisions, an adjournment of the enaces size die was resorted to.

They tried the subject of retranchment, and found it with the law of the properties of the hands of date by sida with Penneylvania in supporting the Protective policy, and as Kentneky understanding described with lodging, diet, tire, and candles.

Protective policy, and as Kentneky understanding mender ture exceeding the account, proposed to the vertex for the friends of that holicy, while the party opposed to it, we claim a right to know why we pursued this course, and don't wish to be made and the course of the ward of the same o

state he may be ut Frankfort at the time of the next section to the U. S. Senate and so have a chance to sork for himself in opposition to John C. Breckin-sige.

The friends of Mr. Breckinridge see Boyd's game, and consequently some of the Democrata, it is note-took in the section of the se we have no anxiety, however, to see the Locofoco congests in Kantucky weakened by jealousy and vided with such an apparatus how many kinks would same, will take as many turns in the twins as the

President to carry through the appropriation bills. The Cincinnati Gezette says: "The same lobby was in existence at the last session to force through the deficiency and army bills. The person employed last year to act as chief of this lobby is employed this, and is already negotiating for a splendld banquel, at which the members of both Houses will be

The Roman Catholic editor of the Boston Pilot bitterly insists, that, wherever there is a Protestant chaplain in the United States, there shall also be a Roman Cathelic chaplain. If he is such a very great friend to equal religious rights, suppose h stap over to Rome and Induce his worthy friend the Pope to ordain, that, wherever there is a Roman

R VANMETER, Chairman

EMINENCE, KY., Feb. 11, 1859. To the Editors of the Louisville Journal:

The men who went after the Porters to Scott county, where they had taken refuge, raturned this morning without them. The Porters no doubt got wind of their coming and scattered in all directions. The people of Scott did all in their power to assist the boys, but of to avail. Porter's pies aars too sharp for them. Hower Forter has unde for Virgitia. The people of Scott did there is no communities. The people of Scott were preparing to out them before the Henry boys got there. So they will find no real anywhere in this State; no community will receive them.

Ingenious and Useful.—Mr. J. F. Wade, of Fair-aven, has invenied an ingenious contrivance for

tens to the sun in new springs forever. Young May chases the shadow of old December from the earth's memory with the sign of the rose which she places over his tomb, and since, as Tenny son sings:

"In the syring a Bredistris plays agonthe burnished dove, In the syring a Bredistris plays agonthe burnished dove, In the syring a Poung man's lane; lightly turns to thought of love."

St. Valenties's day, which is Love's high carrily all the signal for the wide flood gate of unexpression to be lifted, and one impostone tide flows over the world of those missivas which draw on hut away exhaust the sentiment of love in their demand on the profounder yet simpler analysis than the system of love in their demand on the profounder yet simpler analysis than the sentiment of love in their demand that will did by the gladiators of the secte; justice and the sentiment of love in their demand that will did by the gladiators of the secte; justice and the sentiment of love in their demand that will did by the gladiators of the secte; justice and the sentiment of love in their demand the sentiment of love in their demand that the prison of the secte; justice and the sentiment of love in their demand the sentiment of love in the sentiment of love in their demand the sentiment of love in the sent in the sent when the sent of love and the sent which are sent leader the sent of l

ately after dinner.

Through Wednesday, through Thursday, thro Friday be held out. Going to his call about o'clock on Saturday afternous, the officeransked to rise from his bed; attempting to do so he fell, it being discovered that he was then so weak he could not use the knife, the door was opened, it can be seen that the was then so weak he could not use the knife, the door was opened, it can be seen that the way the seen that the way the seen that the seen for a trinuphant issue.

The present number exhibits decided and various ability, practised judgment, good taste, and ganeral typographical accuracy and neatness. It is handsome in farm, and, so far at least as intellectual searched the knife was found upon him. The hlade searched the knife was found upon him.

We have been in anistence since the year one of continuence of the Alabama. — The Mobile Ragisters was compared to the Alabama. — The Mobile Ragister continuence of the Alabama. — The Mobile Ragisters was continuence of the Alabama. — The Mobile Ragisters was continuence of the Alabama. — The Mobile Ragisters was continuence of the Alabama. — The Mobile Ragisters was continuence of the Alabama. — The Mobile Ragisters was continuence of the Alabama. — The Mobile Ragisters was continuence of the Alabama. — The Mobile Ragisters was continuence of the Alabama. — This adaptat stammer arrived from New Victoria and lightning, they water out high, water, arrived to the to the best was still exercive. — Person to the Alabama arrived from New Victoria last avening. She will return to the total the stammer will be distinct. — The Mobile Ragister of the stammer will be distinct. — The Mobile Ragister of the stammer will be distinct. — The Mobile Ragister of the ward correctly and form to the victoria of the stammer will be distinct. — The Mobile Ragister of the ward correctly and form to the victoria of the stammer will be distinct. — The Mobile Ragister of the ward correctly and form to the victoria of the stammer will be distinct. — The Mobile Ragister of the ward correctly and the distinct of the stammer will be distinct to the stammer will be distincted to the stammer will be distincte stoos, as it is impossible to record them fast anough ithout this aid, and when our new resources are uppared, our paper will go where it never went to big fraight. She will leave for Nashville on the paper is seen—than he is the paper is seen—the here. maposing eticks are crysolites, and our shooting inche are made of massive metal, superbly carved to hance relieve and studded with pearls and tamends. The receipts of our office dally we have ever estimated. One stormy day last week we

course of remarks which may appear vain and age intical to autonish the world by explaining the minemax influence of our paper, and to show that it isleds a means of support directly or indirectly to warr man, and child in the country. We Immone influence of our paper, and to show that it yields a means of support directly or indirectly to avery man, woman, and child be the country. We do met, as a matter of course, include editors and contributors to other papers; were those added, the total number would be much greater. The families of those engaged with an equal in number the population of Loudon, Paris, Canton, and New Albarn, in the aggregate. We give wealth and energy to Panneylvanis by consuming all her oosl; we support the farming interests of the country by the concemption of its corn, beein, cabbage, and wheat. We have purchased in the last year 1,500 tens of Iron simply for the repairing of our engines, and on equal quantity of iron bears of great solidity to prop up our warshouses. Bears of paper. We do not experience weight of paper. We do not experience weight of paper. We do not publish these things boast largly, but for the parpose of letting our friends in own what we are about. If we wanted to brave can be and control of the paper. We do not publish these things boast largly, but for the parpose of letting our friends in own what we are about. If we wanted to brave condition. The articles manufactured there are works have been in operation for some years, and work law or a glad to learn that they ere in operation, and end of the paper. We do not publish these things boast largly, but for the parpose of letting our friends in own what we are about. If we wanted to brave work have been in operation for some years, and work law or and propertion, all provided and referred to the Committee of Tax Collector for the Western District. Whether these will reconcile the discords of the party remains to be seen. Our mightor for the Democratic lie in that Capt. Woodward of the provisions and general scale, without however only in money. Mr. P. Bannon, is of the party of the provision and general and vibilation. The largest sale was 100 bils literative of the country of the provisi we could say much more than we have said, end condition. The articles manufactured there are noted for tasts and durability. The proprietor, facts, from which it will naturally be inferred to a fact, from which it will naturally be inferred to the institutions of the day. Far besides an estimate to the besides an estimate of deserving gantleman. He Walter, an indestriess chattel, who, having so dread of Sapreme Court declaions, makes our first, dark it is not an easy matter to procure a genuine our tables, evenps our sanctum, brings up our coat, guts our exchanges from the postofice, when the mails dou't fall—ard, in fact, makes himself generally useful in doing up chores, toting bundles can carrying messages. To day, as an evidence or his versatile capacity, we employ him as love's measure to carry out our Valentines. If our readers one a stable looking Anothe anothed a drive to be simply to dispense it at e reasonable of the court of the aders see a sable looking Apollo, aandaled a d dish o bag on his back figing about town, and resping letters wherever a handsome woman lives that's be, that's our Walter—an inestimable waif and premise to pay a certain modicine of wages.

Among a large number of Americans presented to the French Emperor and Empress et the late State ball were Min. Coleman and daughter, of Kastneky.

Miss Avoila Juses and mother left New Orleans and premise to pay a certain modicine of wages.

This addition, with our Jubin, makes our smooses maplete, and will add immensely to our individual purches, and will add immensely to our individual purches, as well as the interest, value, and variety of any of the control of the collaboration of wages.

Him. Jubin Bell, of Tanuessee, will be 63 years of any of the interest, and will add immensely to our individual purches and will be 63 years of the individual purches and will be 63 years of the individual purches and will be 63 years of the individual purches and will be 63 years of the individual purches and will be 63 years of the individual purches and will be 63 years of the individual purches and will be 63 years of the individual purches and will be 63 years of th Congressional proceedings of the next in adof delivery.
